MAKE A SCARECROW and CLOTHES SWAP

June 14th 2-5PM

Whether you have a bird problem
or just want to add some festive
fun to your garden...

**A £5.00 donation to support the work of the garden
gratefully received.**

Here's how For the Scarecrow you will need to bring:

Old clothes – have a think about the Scarecrow image you want to create – You could support a good cause by visiting your local charity shop for items of clothing. A shirt with buttons is best and trousers with belt loops works well but safety pins will work too. Gloved, booted and suited or straw hands and feet in the traditional style, conventional or weird and wacky – **let your imagination go wild.**

Bring to Share: If you have any sacking material or colourful scraps, old cds, shiny ribbon, old wigs, hats, gloves, lots of bubble wrap, tube netting like the Christmas tree netting or several pairs of old thick tights – bring for your own use and extra to share

We will provide: Straw, Scissors, Wire, Poles, Staple Gun, Hammer and nails, String, Waterproof pens, Safety pins and all the scarecrow materials we can muster.

Bring yourselves, bring your sense of fun and take your Scarecrow home.

Clothes Swap – Bring your valuable but no longer used swapping clothes, create a new look or a whole new wardrobe.
